YOUTH MINISTRY

Scott Connelly, Minister to Students

This past spring we had many youth go through Masterlife and put it into practice by visiting their friends after the study and inviting them to a fellowship event that took place on Sunday nights. Because the summer is busy for everyone we are not going to do a study but we want to continue to meet for fellowship. It worked best when we met in homes afterwards. This summer we would like to give parents and other members of the church the opportunity to host our students. The fellowship would be after the PM Sunday night service until 8:30 PM. A home is all we are asking you to provide and we will bring the sodas and snacks. If you would be interested in hosting a fellowship please call me at the church office- 251-6980 or my cell phone 515-1197; you can also email at scott@firstsouthern.net

The Buffalo Mission trip has been canceled due to some problems with the host church in Buffalo.
