Notes for Personal Study:

SERMON NOTES

The Church that Jesus commissioned is a Church that must be a Disciple-Making Church! The Bible shows a disciple is one who has encountered Christ, been changed by Christ and is following Christ with other believers.

I see the Sunday message as one part of the disciple-making process, so I am intentional with sermon notes. Please note:

- 1. The blanks that are provided are intended to provide a framework for God’s message to you.
- 2. The personal insight blanks are intended for you to reflect on what God is saying to you.
- 3. The sermon notes and your notes are intended for us to move through an intentional, discipleship process.

I pray today’s message strengthens you in your walk with Jesus and the overflow impacts others!
