SERMON NOTES

The Church that Jesus commissioned is a Church that must be a Disciple-Making Church! The Bible shows a disciple is one who has encountered Christ, been changed by Christ and is following Christ with other believers.

I see the Sunday message as one part of the disciple-making process, so I am intentional with sermon notes. Please note:

1. The blanks that are provided are intended to provide a framework for God's message to you.
2. The personal insight blanks are intended for you to reflect on what God is saying to you.
3. The sermon notes and your notes are intended for us to move through an intentional, discipleship process.

I pray today's message strengthens you in your walk with Jesus and the overflow impacts others!
