Pastor's In-Courage-Mint

As we move through this month, the theme of this final series is to Live in Victory! We often think of victory as an event we see completed - see the final outcome - weigh the observed battle with the end result. As we struggle to gain victories along life's journey, we can wonder if the victory is really in hand - may not feel like it. Well, our victory is already secured in the completed work of Jesus not our feelings! We are victorious! Live in it today! Pastor Matt
